

Our light duty commercial compressors are ideal for shallow work. Lightweight, low-cost and portability are the main reasons for choosing a light duty compressor. The Nuvair Nomad two-stage pump with 7.7 hp Yanmar diesel engine produces 23 CFM @ 145 psi. At a light weight of 260 lbs, this is a portable compressor with great air delivery. Diver air filtration is not included with this compressor but is an option to produce Grade D air for breathing.

### FEATURES

- 2-stage compressor
- Remote intake
- FDA food grade synthetic Nuvair 445 oil
- Pressure activated throttle
- Oil sight gauge
- Integrated volume tanks with drains
- Pressure gauge
- Wide all-terrain tires

### OPTIONS

- Breathing air filtration (pictured on right)
- CO analyzer
- Air test kit
- Dive hose

### SPECIFICATIONS

SKU: LP-F23-D	
Cylinders / Stages	2 / 2
Displacement / CFM	23 CFM (650 L/min) @ 650 RPM
Engine	7.7 hp (5.7 kW) Yanmar diesel
Max Operating Pressure	145 psi (10 bar)
Tank Volume	(2) 4.49 gal (17 L)
Dimensions (L x W x H)	34.3 x 30 x 42 in (87 x 76 x 107 cm)
Weight	260 lbs (118 kg)
